## MONTHLY ART EXHIBITS >>>

The Beloit Art Center installs twenty-eight art exhibits annually, including quarterly exhibits at the Beloit Public Library. In total, this provides over 200 artists the opportunity to have their artwork displayed, critiqued and available for sale to the public. The First Friday of each month the Beloit Art Center kicks off a new exhibit at our downtown galleries. The artist's talk is always the highlight of the evening. Paired with lively music, conversation and refreshments, this event makes for a great start to the weekend. We are delighted with the sense of community that First Fridays have created for our patrons over the years.

## EDUCATIONAL OPPORTUNITIES >>

A variety of classes, workshops and a children's summer camp are offered at the Beloit Art Center. Classes

vary throughout the year, so call the gallery or check our website for the latest news about what is being offered.

If you have an idea for a class or workshop, please let us know. You can email us at: [info@beloitartcenter.com](mailto:info@beloitartcenter.com)

## SUPPORT FOR EMERGING ARTISTS >>

The Beloit Art Center has affordable studio space for rent. Our studios provide a creative environment to artists and include Wi-Fi, flexible leases, the ability to teach a class or workshop and sell products in the gift shop.
